

Dive medicals:

We are now pleased to announce that Dr Emerson has undergone the training and has been approved as a HSE AMED and is qualified to offer diving occupational medicals. If you require a diving medical for the first time or your annual review medical, please call reception to book an appointment or e-mail kim.emerson@nhs.net or kimdawson2@aol.com.

Dr Emerson is a diver herself and is now qualified in diving related medicine. If you have other diving related medical queries she is happy to advise you.

Medicals will usually be Wednesday afternoon, Thursday afternoon or Saturday morning and take 1 to 1½ hours.

We offer a discount for returning business and groups. Alternative times are available if needed.

For more information, refer to this website:

<http://www.hse.gov.uk/diving/medical/amed1.htm>

- Click on form MA1 on the right of the screen
- Read appendix A. If the answer to any question is YES a diving career may not be suitable, so please discuss prior to booking a medical.
